

2017 Department of Biology Awards

SEDLEY AND PEARL STANFORD MEMORIAL SCHOLARSHIP

Kemyla Sacre, Biology

Kemyla Sacre is a senior seeking a biology and biological science-composite teaching major with a current 3.8 GPA at Utah State University. She graduated from Box Elder High school a valedictorian in 2012.

Ms. Sacre has been a recipient of numerous honors and awards including Box Elder High School Math Sterling Scholar, Math Student of the month, Science Student of the Month, Psychology Student of the Month, and Social Studies Student of the month in the years 2011 and 2012. She has received certificate of presentation for the Biology Undergraduate Research Symposium and a certificate of presentation for English 2010. Ms. Sacre is a recipient of Keiser Medical Scholarship, Utah State Educational Opportunity Scholarship, Thomas Bahler Scholarship, Eccles Jones Scholarship, and Utah NASA Space Grant Scholarship.

Ms. Sacre was the co-founder and co-president of Box Elder High School Social Studies Society and was an exclusive member of We Do It Right. Here, at Utah State, she has served as the treasurer of African Student Association. She is currently a member of Pre-Med Club, Black Student Union, Native American Council, and Asian Student Association. Additionally, Ms. Sacre has done a semester of research under the supervision of Dr. Messina. While pursuing her degree, she is currently working at the Watershed Lab at USU. Ms. Sacre hopes to graduate in the Fall of 2017 and pursue her goal of going to medical school, where she hopes to become a surgeon. She also hopes to open a school at which she will teach.
