Dr. John Weber, Rvs 250

9:30-10:30am daily/by appointment

john.weber@usu.edu, 613-5665

Catalog Description:

Career exploration in prehealth professions. Weekly presentations on careers by health professionals and development of career related skills, including exploring professional school admission requirements, honing professional school applications, investigation of research and professional shadowing opportunities.

Course Objectives:

Students completing this course will:

- Draft and revise a personal statement
- Draft a resume/curricula vitae
- Explore health professions
- Participate in seminars by local health care professionals
- Explore and discuss the requirements for applying to health profession schools

Assessments:

Attendance – Students must attend at least 80% of the scheduled meeting times. Students may miss up to 3 class periods throughout the semester.

Writing assignments – At least three written assignments will be completed by each student throughout the semester, including the following:

- Personal Statement – Personal Statements will be discussed in class following which students will complete and turn in a rough draft. After peer review, students will revise their draft and turn in a revision.
- Resume – Students will complete and submit a personal resume.
- Health Profession Report – This report will require each student to choose a specific health profession and explore the characteristics of the profession and the schools that train students in that profession.

Reflections on weekly articles – Each week a health profession related article will be assigned in Canvas. After reading the article, students will post a reflective response to the article in Canvas.

Grading:

Grades will be assigned as pass/fail. If the above assessments are completed then the student will earn an A grade. Failure to complete the assignments will result in a failing grade.

Canvas:

Canvas is where course content, grades, and communication will reside <http://canvas.usu.edu>

Your username is your A# and your password is your global password. For Canvas, passwords, or any other computer-related technical support contact the IT Service desk. (435)797-4357. <http://it.usu.edu>

Classroom Accommodation For Students With Disabilities

If a student has a disability that qualifies under the Americans with Disabilities Act (ADA) and requires

reasonable accommodation, he/she should contact the Academic Access Center (AAC) for information on appropriate policies and procedures. Disabilities covered by ADA may include learning, sensory, emotional, physical, or medical impairments. Students may contact the AAC if they are not certain whether a condition qualifies. Regional campus students may contact the DRC located in Room 1010 of the University Inn, 435-797-2444 (voice), 435-797-0740 (TTY) or toll free at 800-259-2966. USU Eastern students may contact the AAC located in room 223 of the JLSC, 435-613-5337. Please contact the AAC as early in the semester as possible.

Academic Dishonesty:

Cheating and/or plagiarism are illegal and will not be tolerated. If a student is found guilty, the student may immediately fail the course and possible expulsion from the college. Any suspicion of an academic integrity violation (AIV) may be reported by the instructor to the university. As stated in student code Section VI-1 “Whenever an instructor reasonably suspects that a student has committed an academic integrity violation, the accused student shall be notified by the instructor of the violation and its consequences through use of the academic integrity violation form (AIVF) within seven days that a violation has occurred and that a sanction is appropriate.”
