

2020 Department of Biology Awards

JAY R. WEST AND LORRAINE M. WEST ENDOWED SCHOLARSHIP

Amelia Wallis, Biology

Amelia Wallis is a junior studying biology, with an emphasis in ecology and biodiversity. She transferred to Utah State University after receiving an Associate's degree from Brigham Young University - Idaho. Amelia is passionate about women in science, writing, music, time to think, and fish. She volunteers teaching music to children every

other Sunday, and her dream is to study cetaceans and cephalopods on the West Coast, or fish in the Amazon.
